Committee meeting next week. We would like suggestions to present to the Finance Committee in August, and perhaps present a resolution at the September Board Meeting. If you embrace the recommendations here, they could be implemented the first of 1997. Mr. Gray gave the Legislators a bit more information and explanation. The report might make little easier to understand, there are 3 possible options. The Charts on page 4 are historic not current. The Committee has completed the charge you gave us. It may be modified somewhat, but that is what developed through the committee process.

BE IT ENACTED BY THE BOARD OF LEGISLATORS OF THE COUNTY OF ST. LAWRENCE AS FOLLOWS:

Section 1: Purpose and Intent

The Board of Legislators of St. Lawrence County intends by this local law to supersede the provisions of County Law 214(2), which requires that a true copy of each local law be published in the official newspapers at least once a week for two successive weeks. In order to reduce cost, this Board desires that the publication of the full text of each local law be discontinued, and replaced with only that detail necessary to insure that the public remains fully informed. This local law is adopted pursuant to Article IX of the Constitution of the State of New York, as interpreted in 92 Opinions of the Attorney General 1, and elsewhere.
