PRESENTED UNDER SUSPENSION OF THE RULES

RESOLUTION NO. 111—78

ADOPTING LOCAL LAW NO. 5 FOR THE YEAR 1978

By Mr. Greco, Chairman, Finance Committee

WHEREAS, Local Law No. 5 for the Year 1978 was introduced at the meeting of the St. Lawrence County Board of Legislators on March 13, 1978, and

WHEREAS, a Public Hearing was conducted by the Chairman of the Board of Legislators on April 10, 1978,

NOW THEREFORE BE IT RESOLVED, that Local Law No. 5 for the Year 1978 is hereby adopted.

On a motion made by Mr. Greco, seconded by Mr. Hess, Resolution No. 111—78 was carried unanimously.

Mr. Greco again asked for suspension of the rules to present a resolution pertaining to membership on the Industrial Development Agency; this was seconded by Dr. Bixby.

Mr. Rishe asked for point of order, saying isn't the Industrial Development Agency structured by the State; Mr. Greco is requesting legislation we are unable to make a decision on.

Mr. Healey said if that is the case, the wording is not proper. We should be requesting the State to change the law. In other words, this Board would be making changes it does not have the authority to do.

Mr. Greco said the resolution does not ask to restructure the Industrial Development Agency; that it is his understanding that the maximum number of members on the Industrial Development Agency is 5 but it could have members unable to vote.

Mrs. Bradley asked if they had voted on the suspension of the rules.

Mr. Hess said perhaps it would be appropriate to go into executive session since appointments should come up in executive session.

of Director of Real Property Tax Services and that interviews would take place soon. They also agreed to a Grade 28 for the Youth Bureau Director. He also described the process for the selection of a Fire Coordinator.

Mr. Thompson reported for the Planning & Conservation Committee. He advised the Board that at that meeting, Dr. Hughes gave an excellent presentation concerning energy sources.

Mr. Cooke reported for the Public Safety Committee.

Mr. Viskovich reported that since there had been no business to attend to, the Social Services Committee had not met since the last Board meeting.

Mr. Moore reported for the Transportation Committee.

Mr. Lemieux reported for the Insurance Committee. He advised the Board that the Insurance Committee had voted to accept the bid of Drew Agency Inc. (the only bid received) for County insurance with a few modifications recommended by Independent Risk Management Group. He noted there was approximately 10 percent increase in cost over last year which resulted from increased values of the buildings, etc.

Chairman Abrams, in Mr. Herzog's absence, reported that the Audit Committee had not met since the last Board meeting and had nothing to report.

Chairman Abrams recognized Mr. Marscher.

Mr. Marscher announced that the Health Committee will be looking over medical scholarship applications at their next meeting; he also announced there were two vacancies in the St. Lawrence County Laboratory, one for a physician and one for at-large, and if anyone knows of persons interested in serving on the Laboratory Board of Managers, they should contact either Mr. Collins or Mr. Marscher, or any member of the Health Committee.

Chairman Abrams recognized Mr. Healey.

Mr. Healey, too, had an announcement, to seek support from everyone, perhaps by writing to their congressmen and senators, urging their support for increased appropriations in subsidizing Section 8 housing.

Chairman Abrams requested the presentation of resolutions.
