RESOLUTION NO. \_\_\_\_\_

**PROPOSED LOCAL LAW A (NO. \_\_) FOR THE YEAR 2021, “A LOCAL LAW RE-ESTABLISHING THE ST. LAWRENCE COUNTY MULTI-USE RECREATIONAL TRAIL SYSTEM AND ESTABLISHING A TRAIL PERMITTING PROCESS”**

By Mr. Acres, Chair, Finance Committee  
Co-Sponsored by Mr. Sheridan, District 4; Mr. Denesha, District 6;  
Mr. Perkins, District 7; and Mr. Arquiett, District 13

**BE IT ENACTED** by the Board of Legislators of the County of St. Lawrence, as follows:

SECTION 1. TITLE

This local law shall be known as “Re-Establishing the St. Lawrence County Trail System and establishing the St. Lawrence County Trail Permitting Process”

SECTION 2. STATUTORY AUTHORITY

This local law is enacted pursuant to the following authority:

- A. Municipal Home Rule Law (“MHL”) §10(1)(i) provides that a county may adopt local laws relating to its property, affairs or government provided it is not inconsistent with the provisions of the constitution or any general law.
- B. County Law § 219(1) provides that a county may utilize its reforestation properties “for recreation and kindred purposes.” This has been interpreted as authorizing a county to designate reforestation lands for use by all-terrain vehicles (“ATVs”), provided that such use is consistent with forest and wildlife conservation and watershed protection. Opinion Atty. Gen. Op. No. 2002-1.
- C. Vehicle and Traffic Law § 2405(2) states that: “a municipality, by ordinance or local law, may designate any appropriate public lands, waters and properties other than highways under its jurisdiction as a place open for travel by ATVs upon written request for such designation by any person, and may impose restrictions and conditions for the regulation and safe operation of ATVs on such public property. . .”

SECTION 3. PURPOSE

- A. The purpose is to establish Local Law No. \_\_\_, “A Local Law Re-Establishing the St. Lawrence County Trail System and Establishing the St. Lawrence County Trail Permitting Process”, by incorporation of reference to the Local Laws adopted thereto since 2006, and to update by amendment various provisions of the Local Law and thereby Re-Establish the St. Lawrence County Trail System.

B. This Local Law is to:

1. Establish a network of trails and interconnecting roads (“Trail System”) that is available for ATV operation throughout St. Lawrence County.
2. Establish a set of guidelines for the potential expansion of such ATV trail system.
3. Establish a methodology for managing the trail system and implementing appropriate procedures to mitigate environmental impacts and provide for the long-term preservation of natural resources.

#### SECTION 4. LEGISLATIVE FINDINGS

The Board of Legislators hereby restates and makes the following findings in support of this Local Law:

A. That the Board of Legislators received and reviewed and adopted Resolution No. 149-2011, on May 2, 2011 that determined that the St. Lawrence County Multi-use Trail Plan DGEIS (“Trail Plan”) was complete and as a result, the DGEIS was deemed adequate for the purpose of commencing public review of the document, which set forth a resource management plan for the development of a network of interconnecting trails throughout St. Lawrence County for outdoor enthusiasts who enjoy the use and operation of all-terrain vehicles (“ATVs”). The Trail Plan contemplates the creation of a St. Lawrence County Trail System (“Trail System”), which is an identified and designated system of trails and interconnecting roads. The Trail System may include:

1. Trails located on County Reforestation Lands and/or other lands the County may own.
2. Trails located on private lands that are designated as open to the public.
3. Railroad Corridors.
4. Utility Corridors.
5. Recreation Easements.
6. Interconnecting Town Roads (as authorized by local law by the respective townships).
7. Interconnecting County Roads (as authorized by local law).

B. The goal of the Trail Plan was to set out the management objectives and guidelines for the development of the Trail System so that the interests of ATV operators could be balanced with the long-term preservation of the environment and the County’s natural resources for future generations.

C. Before taking action with respect to the proposed Trail Plan, the Board of Legislators, acting as lead agency, conducted an extensive review of the potential impacts to the environment pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as

amended, and Title 6, Part 617 of the New York Codes, Rules and Regulations (“NYCRR”) implementing Article 8 (collectively referred to hereinafter as “SEQRA”).

D. The Board of Legislators further determined that pursuant to Part 6 NYCRR § 617.6(a)(4), preparation of a draft Generic Environmental Impact Statement (“GEIS”) would better serve the Board in assessing potential environmental impacts.

E. The Board of Legislators has heretofore accepted the Final GEIS and has adopted a Findings Statement in accordance therewith.

F. That the Trail Plan has been reviewed and revised, where necessary, in order to assure that it conforms to the GEIS and its related Findings. Contemporaneously, the Board of Legislators formally approved and adopted by resolution the Trail Plan in its final form.

G. The Board of Legislators further finds that one of the key elements of the Trail System is the development of trails on County-owned reforestation lands. The Board is equally aware that the reforestation lands are valuable assets to the County and its residents both now and for generations to come. Therefore, the Board finds that it is incumbent upon them to set forth clearly defined rules and regulations as to the use of the reforestation lands, and more particularly the use of the trails thereon.

H. The Board of Legislators further finds that similar considerations pertain to the use of trails that are now or may hereafter become available to the County for incorporation into the Trail System, whether such trails are located on private property, along former railroad beds or utility corridors.

I. Furthermore, the Board of Legislators finds that this Local Law is necessary in order to set forth certain procedures for the development of the Trail System in order to assure that both present and future development complies with the GEIS and its related Findings.

B. The opening of any County Reforestation Land to trail development does not imply that ATV use and operation is permitted in any non-trail area within the parcel of land. The use and operation of ATVs on County Reforestation Lands shall be strictly limited to the designated and signed trails within such parcel, as hereinafter set forth.

SECTION 7. DEVELOPMENT OF ATV TRAILS ON DESIGNATED COUNTY REFORESTATION LANDS:

A. Upon the designation of any County Reforestation Land by the Board of Legislators, upon consultation with the St. Lawrence County Multi-use Trail Committee, through this Local Law or any future local law, as available for Trail Development, the Board of Legislators hereby authorizes the St. Lawrence County Highway Superintendent (SLCHS) or their designee to develop ATV trails in and upon such land in the following manner:

3. All signs to be used by the SLCHS for the purposes set forth in this Local Law shall be of uniform size, shape, lettering, and marking; shall include the St. Lawrence County official logo; and shall clearly and concisely inform the public that the trail is open for the operation of ATVs, or restricted by ATV classification as determined by the SLCHS, or their designee.

B. Nothing contained herein shall be construed to obligate the SLCHS, or their designee, to open any particular truck trail, logging road or similar trail or any part thereof for use by all classifications of ATVs on a trail. Such determination, including classification of ATV for access on any or all trails shall be at the sole discretion of the SLCHS or their designee.

## SECTION 8. AMENDMENTS TO THE TRAIL SYSTEM

A. In the event that the SLCHS receives (i) a written request from an individual or organization to open additional County Reforestation Lands or any other land owned or controlled by the County to trail development, or (ii) a written request from an individual or organization to construct a new trail upon a County Reforestation Land that is herein or hereafter being opened for trail development, or (iii) a written request from an individual or organization to open trails on private parcels of land or railroad or utility right-of-ways or corridors, the SLCHS, or their designee, shall take the following steps:

1. Perform an initial evaluation of the application, assessing the feasibility of admitting the property based upon several factors, including: the property's overall potential for enhancing the existing trail system; proof of property ownership; the property owner's willingness to execute an access agreement with the County; the property's ability to safely host ATV travel; and such other factors as deemed reasonable and prudent by the SLCHS.
2. the initial evaluation of the application of the SLCHS or the designee indicates that it may be feasible to admit the property, he/she can authorize the performance of a more detailed environmental review pursuant to SEQRA, with the Board of Legislators or the St. Lawrence County Soil and Water Conservation District serving as Lead Agency for such review.
3. Upon completion of a substantive environmental review, the SLCHS will forward to the Board of Legislators the results of such review, plus a recommendation on property admission. The Board of Legislators will then finalize its own review of the available information, complete its SEQRA Lead Agency responsibilities, if required, and ultimately decide whether or not to admit the property.
4. In the event that the Board of Legislators deems it appropriate to admit the property to the Trail System, the Board shall amend the Trail System as follows:
  - a) If County Reforestation Land, by local law designating any or all County land as open for the use and operation of ATVs, subject to the rules and regulations herein set forth and the management guidelines set forth in the St. Lawrence County Trails Plan.
  - b) If private property, by resolution of the Board of Legislators approving an access agreement between the landowner and the County, and subject to the rules and regulations herein set forth and the management guidelines set forth in the St. Lawrence County Trails Plan.

B. Upon admission to the Trail System as set forth above, the property shall be identified and mapped by the SLCHS, or their designee, as described in Section 7 above.

## SECTION 9. INTERCONNECTING PUBLIC HIGHWAYS

A. It is anticipated that the Trail System may include one or more public highways that will interconnect with the trails located on County Reforestation Lands or any other County land, and the off-road trails on private property that have been identified and signed as incorporated into

the St. Lawrence County Trail System. Interconnecting public highways may be incorporated into the St. Lawrence County Trail System under the following conditions:

1. The highway in question has been designated for use by ATV traffic by appropriate government action pursuant to Vehicle and Traffic Law § 2405 by the governmental agency having jurisdiction.
2. In the case of a town highway, the SLCHS has received a concurring resolution or local law from the town board setting forth their consent or designation that said portion of the town highway is open to ATV access, and therefore can be included as a designated highway into the St. Lawrence County Trail System.
3. In the event that either a town road or County Highway has not been reviewed pursuant to the GEIS performed by the County and identified on the map attached to the FGEIS, the SLCHS initiates the procedures set forth in subparagraphs “b” and “c” of Section 7, Paragraph 1 above.
4. The SLCHS, or their designee, identifies the highway as being incorporated into the Trail System by placing or causing to be placed thereon appropriate St. Lawrence County Trail signs as well as identifying such highway on maps produced by the Trails Department for public use.
